To provide the Board of Regents with an overview of the federal landscape including the impact of the change in administration and significant legislation as it affects the future of the University of Minnesota.

Outline of Key Points/Policy Issues:

The presentation will raise the following questions for the Board’s consideration and discussion:

• What can we expect as federal priorities going forward, both in the near term and when the economy and federal budget situation improves?

• What must we do now to position the University of Minnesota well for when the economy and federal budget situation improves?

• What is the University’s role in helping to ensure economic growth and competitiveness for the state of Minnesota and the surrounding region?
