

BOARD OF REGENTS POLICY: ***Board Operations and Agenda Guidelines***

SECTION I. SCOPE.

This policy governs the Board's operations, committee structure, and agenda guidelines.

SECTION II. GUIDING PRINCIPLES.

The Board of Regents (Board), created under the Minnesota Territorial Laws of 1851 by the passage of the University charter and perpetuated by the Constitution of the State of Minnesota, is the governing body of the University. The Board, guided by the constitution and laws of the state:

- holds itself accountable to the public for accomplishing the mission of the University;
- meets openly, in the spirit of the Minnesota Open Meeting Law;
- fosters communication with the citizens of Minnesota, its elected representatives, and the University community; and
- works with the president to create a relationship characterized by trust and openness.

SECTION III. BOARD BUSINESS.

Subd. 1. Governing Documents.

Board exercises its authority consistent with the University Charter, the Constitution of the State of Minnesota, the *Bylaws of the Board of Regents (Bylaws)*, and relevant Board policies. These documents provide the basic framework for the conduct of the business of the Board.

Subd. 2. Board Business.

The Board conducts business through meetings of the Board and its committees. Items placed on the Board agenda have the most fundamental importance and broad policy implications for the University. The following items are required to come to the Board:

- (a) Fundamental planning documents, including:
 - Systemwide Strategic Plan - The Systemwide Strategic Plan articulates and reinforces the mission and vision of the University; identifies University priorities and goals; and establishes a framework to guide University decision-making. The plan includes goals articulated through the University Progress Card and establishes a framework for the University's operating and capital budgets.

- University Performance and Accountability Report - The University Performance and Accountability Report publicly demonstrates the University's accountability for progress in reaching its stated goals and objectives; links planning, performance evaluation, and resource allocation at the system and campus/college level; illustrates and analyzes longitudinal trends in key areas; provides a means for comparisons with peer institutions; and identifies areas for continued work. The report includes progress made in achieving the goals articulated in the University Progress Card.
 - Annual Operating Budget - The annual operating budget sets forth the operating requirements and authorizations for financing the activities of the University. The budget includes all funds (revenues and expenditures), all campuses, and all programs of the University. It incorporates historical background and projections. It is based on the framework established by the Systemwide Strategic Plan. The president recommends to the Board the annual operating budget in successive meetings.
 - Capital Budget - The capital budget has two parts. Part I is the six-year capital plan, which is updated annually and identifies capital projects, as defined by Board of Regents Policy: *Reservation and Delegation of Authority* Article I, Section VIII, Subd. 6, that are approved to proceed with preliminary project planning, but not authorized to proceed with design and construction. Part II is the annual capital improvement budget, which authorizes the completion of design and construction of projects, as defined by Board of Regents Policy: *Reservation and Delegation of Authority* Article I, Section VIII, Subd. 7, that have approved financing. The framework established by the Systemwide Strategic Plan and approved campus master plans guide both parts of the capital budget. The president recommends to the Board both parts of the capital budget in successive meetings.
- (b) Legislative funding requests, including the biennial budget request and the capital request.
- (c) Reports on federal and legislative relations and issues.
- (d) Reports submitted to the State of Minnesota as defined by Board of Regents Policy: *Reservation and Delegation of Authority* Article I, Section I, Subd. 7.
- (e) Annual summary of expenditures for the Office of the President, Eastcliff, and the Office of the Board of Regents (OBR).
- (f) Gifts.
- (g) Other reports, including, but not limited to, reports of the Faculty Consultative Committee, the University of Minnesota Foundation, the University of Minnesota Alumni Association, and the Student Representatives to the Board.
- (h) Additional items as decided by the Board chair in consultation with the president and Board vice chair.

At the Board chair's discretion, any of these items may be referred for discussion in committee.
