TARGETED BUSINESS, URBAN COMMUNITY ECONOMIC DEVELOPMENT, AND SMALL BUSINESS PROGRAMS

SECTION I. PURPOSE.

Subd. 1. Targeted Businesses. The Board of Regents (Board) supports the use of the purchasing power of the University of Minnesota (University) to enhance equal employment and business opportunities for minorities, women, and disabled persons. Consistent with the Board's long-standing policies and achievements in advancing diversity, equal employment opportunity, and affirmative action, the University is committed to promote actively the utilization of businesses owned and operated by minorities, women, and disabled persons (targeted businesses), and to prevent discriminatory practices against such businesses.

Subd. 2. Public Service Mission. Consistent with the University's outreach and public service mission, it is appropriate that the University foster economic growth in the urban communities of which it is a part. Reduction of poverty and unemployment in the urban community is of vital interest to the University. The University shall take advantage of opportunities, presented by its construction projects and its contracts for goods and services, to promote the training and employment of urban community residents in skilled trades and professions.

(b) collaborate with the University in the development, funding and implementation of programs designed to train residents of such urban communities and to increase the number of such
urban residents who are skilled and union-certified in building trades to participate in construction projects at the University and elsewhere.
